

Win A MOBIE Contest Rules

Description of Promotion Offer:

This contest is sponsored and administered by MOBILion Systems, 4 Hillman Dr #130, Chadds Ford, PA-19317.

This promotion begins on January 9, 2023 and ends on March 3, 2023 All entries must be received by 11:59 pm Eastern Time on March 3, 2023.

Entrants who enter “Can you SLIM it – Win a MOBIE!” could potentially be the Grand Prize winner to receive a placement of a MOBIE system by MOBILion Systems for one (1) Year in their lab. This will include the appropriate install kit (depending on the customer’s Agilent Q-TOF model), installation, familiarization as well as possible de-installation. After the one-year period is completed, the winning party will need to return MOBIE to MOBILion or purchase it. The sales price will be determined between the winning party and MOBILion. A total of one (1) Grand Prize winner will be selected at the end of the contest period.

Entrants must visit the following site <https://www.mobillionsystems.com/win-a-mobie> and will register and answer a series of questions, including a written answer that described their workflow and project, their project intent, and how MOBIE will help them improve their research project.

The first 250 entrants will receive a Thank You Gift of a MOBIE plushie (Valued at \$6.00 USD) for participating in this contest.

Note: All prizes will be awarded to the entrant’s institution, where the entrant is associated for their project. The award will not be awarded to the individual entrant.

MOBILion’s MOBIE is intended to be used in laboratories where such use is permitted under state/country law. This promotion is void where prohibited by law. The Grand Prize winner must agree to meet with an MOBILion and Agilent Contest Representative, on a monthly basis to ensure instrument is used for the application as described in the submission.

All entries become the property of MOBILion Systems and will not be acknowledged or returned. All entrant information, including email address, is subject to the privacy policy of MOBILion. Submissions (and chance of winning the Grand Prize as well as a MOBIE plushies) can only be shared with MOBILion upon acknowledging the data privacy consent form for data sharing.

Contest only applies to submissions by entrants ages 18 years of age or older within the following territories:

US, except Arizona, Idaho and Hawaii

Canada, except Quebec

Entrants are not required to pay any costs or purchase Agilent or MOBILion products or services in order to enter the promotion. Making a purchase of Agilent products or services will not increase an Entrant’s chances of winning the Grand Prize. Applicants must have a compatible Agilent LC/Q-TOF 6545, 6545XT or 6546 system in working order to participate.

The requirements are:

- Entrants will register (Name, contact, address, Affiliation) via <https://www.mobillionsystems.com/win-a-mobie> and submit a 1200-character max description of their workflow and project, their project intent, and how MOBIE will help them improve their current project approach.
- Entrants will acknowledge the rules to the contest
- Entrants will consent to sharing contact information and submission with MOBILion
- A final report on achievements over the one-year loan, as well as presentation of the results
- All federal, state and/or local income and other taxes and duties, if any, are the winner's sole responsibility.

PRIZES AND JUDGING:

List of all levels of prizes offered in promotion:

Grand Prize: MOBIE loaner for 1 year, \$100K for 1 year loaner

Other: MOBIE plushie, <\$6, First 250 submissions

Entries will be judged by a panel consisting of: (3) MOBILion and (2) Agilent Technologies, Inc. ("Agilent") representatives based on the criteria, and respective weights, listed below.

- Showing the need for the equipment to improve operational effectiveness or efficiency (50%)
- Clarity of Application (30%)
- Completeness of application described (20%)

Each criterion will be awarded from 1-5 points, 1 – does not meet criterion, 2 – minimally meets criterion, 3 – acceptable, 4 – very good, 5 – excellent compliance with criterion. Once all entrants' submissions have been judged and scored, MOBILion Systems will tally the total scores of each individual submission. The potential Grand Prize Winner will be deemed by the highest score of all entrants.

(Note: In the unlikely event of a tie, the judges will convene and adjust their scores through comparison of the tied entries, and thereafter issue the "final and binding" decision.)

Declaration and Release Forms Process

MOBILion representatives will send each potential winner an Official Contest Declaration and Release Form (the "Form") to be completed and returned to MOBILion. The potential winner must return the Official Contest Declaration and Release Form back to MOBILion by the designated return date on the Form. If the form is not received back by the designated return date, then the potential winner is disqualified. The Runners-up from the contest will be informed as being the new potential winner.

Management and the logistics to fulfill prizes

MOBILion representative will distribute the MOBIE after the potential winner has returned the Declaration, Release, & Discharge Form.

MOBILion representative will distribute the MOBIE plushie gift to the first 250 entrants.
